PROFESSIONAL SUMMARY

MCA student with practical experience in software development and a strong interest in building scalable applications. Motivated to apply academic knowledge to real-world challenges in areas such as distributed systems and cloud computing, contributing across the Software Development Life Cycle—from development to deployment. Passionate about writing clean and reliable code with a focus on performance. Seeking an opportunity with Nokia to contribute to impactful software projects while gaining industry experience.

EDUCATION

NMAM INSTITUTE OF TECHNOLOGY

Master of Computer Applications
Nitte University

2025 - Present

CGPA: 8.19

Alva's College Moodbidri

Bachelor of Computer Applications
Mangalore University

2022 - 2025

CGPA: 8.57

PROJECTS

NMAMIT RESEARCHERS - RESEARCH PAPERS LIBRARY

Tech Stack: React, Node.js, Express.js, MongoDB

- Developed a full-stack Research Portal for students and faculty at NMAMIT to manage and explore academic research on a centralized platform.
- Implemented features to browse, submit, and track research papers with efficient backend handling using Node.js and MongoDB.
- Built RESTful APIs for seamless communication between frontend and backend, ensuring smooth data flow.

Student Attendance Management System

Tech Stack: Java, Spring Boot, Servlets, JSP, MySQL

- Developed a Student Attendance Management System to efficiently record and manage student attendance data.
- Implemented features for adding students, marking attendance, and generating attendance reports.
- Designed backend logic using Java and integrated MySQL database for secure data storage and retrieval.
- Built a user-friendly interface to enable easy interaction for teachers/admin to manage attendance records.

ACHIEVEMENTS

● CHAKRAVYUHA 2026 – HACKATHON

Participated and won a hackathon organized by Srinivas University, showcasing collaborative teamwork and applied technical skills.

CERTIFICATIONS AND TRAININGS

- **Introduction to Front-End Development** by Meta– Coursera
- **React Basics** by Meta – Coursera

ADDITIONAL

Technical Skills: Java, Python, JavaScript, React.js, Spring Boot, Node.js, MySQL MongoDB, Git,

Languages: English, Hindi, Tulu, Kannada
